MEMORANDUM CIRCULAR

NO. 08-4-82

Subject: Use of Prefix 4D

Pursuant to Act 3846, as amended, and in order that appropriate identification shall be provided for any amateur radio stations desiring to participate in the celebration of their fifty (50) years of existence (golden jubilee), the following regulations and guidelines are hereby promulgated:

1. The Final Acts of the World Administrative Radio Conference, Geneva, 1979, allocated the international call-sign series 4DA-412 to the Philippines.
2. The prefix 4D is hereby designated for the use of amateur radio stations participating in the celebration of the fiftieth (50th) years of existence (golden jubilee) of PARA in the year 1982 exclusive.
3. The above prefix followed by the NTC assigned district member and suffix shall be used by authorized amateurs to identify the operation of their respective licensed radio equipment without filing the necessary applications, provided that the participating stations shall have been reported by PARA to the NTC before the start of the operation.

This Circular shall take effect immediately.
